Subject: Request to conduct TERRE Olympiad (An environmental theme based online quiz competition) at your school.

Dear Sir/ Madam,

TERRE Policy Centre is a non-governmental organization based in Pune, India, dedicated to sustainable solutions to our developmental imperatives. We undertake various initiative and projects for environmental education and awareness among the society.

Since 2015, we are conducting an online national level environmental quiz competition called TERRE Olympiad. Exam is conducted for 1st standard to undergraduate students, which is based on environment, forest, wildlife, climate change and other environmental issues. The exam aims to aware our future generation regarding our environment and its importance. **This year it is the 12th edition of TERRE Olympiad.**

The exam is conducted in three categories such as **Seedling (1st to 4th), Sapling (5th to 9th), Plant (10th to 12th) & Tree (Undergraduate)**. Exam can be attended in 3 different languages such as English, Hindi, and Marathi at national level. Exam will be conducted in two rounds where the final round winners will be awarded with electronic gadgets like tab, hard disk, smartphone, pen drive, etc.

Under the Sapling and Plant Category top 100 runners-up will be awarded Consolation Prize.

Top three schools or colleges in each category will be awarded with a trophy and certificate. All the top winners will be awarded at National platform.

Schools and Colleges can involve this competition in their extracurricular activities by providing 05 internal marks for encouraging the students to increase awareness by participating in this Olympiad.
